## Query Analysis

### Query: Will I be able to earn desirable profit from the scrap business?

In the horary chart, the favorable connection of the 7th house and Saturn is taken into consideration.

If ascendant, ascendant lord; the seventh house or it's lord and Saturn are well-placed, a person will be able to get desirable profit from the scrap business.

If the above planets and houses are weak or under ill-effect, the scrap might be less profitable.

### Analysis

#### Planets for the query

##### Mercury

Since the ascendant lord is in a negative state, your horary-chart cautions you to be prepared to put down any difficulty that you might have to face on your path of progress.

As you are confident to tackle all the problems, you must hit your target in time. So, overlook any unnecessary doubt, move forward.

##### Status

The planet is aspected by an enemy planet. The influence on the horary chart is negative. It will make attaining your objective harder. Other positive combinations will reduce its influence.

The planet is placed in an enemy sign. It may not give you positive results.

The planet is placed with friendly planets. This will enhance the positive influence of this planet.

##### Saturn

In your horary-chart, since the karaka lord is in a strong state, it is having a positive impact on your prospects. Due to this positive planetary state, you will first carry out all your duties with responsibility. As a result, you will get the desirable profit without any difficulty.

##### Rahu

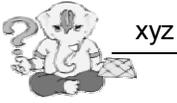

In your horary-chart, since the karaka lord is in a strong state, it is having a positive impact on your prospects. Due to this positive planetary state, you will first carry out all your duties with responsibility. As a result, you will get the desirable profit without any difficulty.

##### Status

The planet is aspected by a friend. It will have a positive influence on the horary chart and will increase its overall auspiciousness.

The planet is placed in an enemy sign. It may not give you positive results.

The planet is placed with friendly planets. This will enhance the positive influence of this planet.

The planet is retrograde. It gives the planet strength and increases its impact on your horoscope.

## Houses for the query

### First

There are some inauspicious influences on the significator planet for this house or on the house itself.

Since the significator planet is not well-placed, you may have to tackle certain problems. As you want to get the expected outcome, work hard, there are chances might get the desirable result in time.

### Seventh

Since the significator planet is in an exalted state, there are strong chances that you will be able to hit your target in time.

As the positive planetary placements will provide you the necessary support, take all the necessary steps that you feel necessary, you will be able to get the desirable success.

## Yogas in the chart

### **Moon-Mars Yoga (Chandra-Mandal Yoga) is present in the horary chart.**

Your horary-chart conveys the planetary fact that Moon and Mars are connected positively. Due to this positive planetary combination, Chandra-Mangal yoga is created.

Under the favorable impact of the above planetary combination, you will be able to develop a great degree of confidence. As a result of Chandra-Mangal yoga, you will surely move forward in the area of your interest with strong determination.

If all the remaining celestial bodies are not in an exalted state, you might have to face some difficulty to get the desirable result.

Since Chandra-Mangal yoga also favors you to get good income, if all the significator planets are also placed in a positive state, you will get desirable income.

Due to the favorable placements of most of the concerned planets in your horary-chart, there is a strong possibility that you be able to get benefit from your brothers as well as relatives.

## Aspects in the chart

### **Aspects on Mercury**

Due to the favorable placement of Mars in your horary-chart, work hard to get the desirable profit.

Meanwhile, ensure if all the other planets in your horary chart are in a positive state. If they are placed positively, you will be able to get good profit under normal planetary state.

### **Aspects on Saturn**

Since the planets in your horary-chart, are under the favorable aspect of Jupiter, you will be able to get the expected result if your efforts to get success are genuine.

Since, the positive placements of all the planets in your horary chart are necessary to help the native get the expected success, ensure whether all of them are in a positive state.

### **Aspects on Rahu**

Under the favorable aspect of Mars, the celestial bodies are likely to give desirable results. Since the total impact of all the positively placed planets in your horary-chart is essential to secure desirable benefit from your sincere efforts, ensure whether they are all placed in a positive state.

If any one of the concerned planets in your horary-chart are less favorable, there are less chances for you to get the expected income from your business.

### **Conclusion**

Due to the average planetary placements and combinations, even if the concerned planets might not give you all the required support, if you work hard and implement all your plans, the scrap related trade might get you the desirable profit from the scrap business.
